

Memorandum of Understanding
Optional Tenure-Clock Delay Due to Coronavirus Emergency

Due to the coronavirus emergency facing the globe, Rhode Island College will offer the opportunity for all untenured tenure-track faculty who are employees of the College in Spring 2020 and who have not yet submitted their tenure packets, the opportunity (but not the requirement) to delay the submission of their tenure packets by one year. This allows for a one-year tenure clock stop in order to account for the extraordinary disruption of research, teaching and service. The choice to delay may be made at any time prior to the original date the tenure packet was or is due.
